

Coach Jeets – mini Press bio...

“If Dostoyevsky had lived in the hood today, he would write bars like mine...

If John Carpenter decided to write UK rap music, it would sound like *my music*...

And, if George Best would’ve played guitar, he would’ve been in my band!” - **Coach Jeets**

This accomplished and articulate rhymers, producer and musician makes textbook writers turn in their shallow graves. **Coach Jeets** has been doing it his *own* way, from an underground bunker in Manchester-England. This international squad leader of sonic resistance has been fighting the good fight... “Because **Chuck D, KRS one, Guru, Kool Keith, Black Thought & The Wu Tang** told me to”

If you seek alternative, *lyrical* Hip Hop on your musical journey of discovery, and you need some tunes that nobody else can supply. Call the Coach!

Authentic+ Mercurial= Happy travels. Bon voyage.
